## STATEMENT

Hi, my name is Cameron Cardow. In my life, I've been a multiple National Newspaper Award-winning editorial cartoonist, art director, illustrator, author, web editor, web designer and software product designer. I'm a proud father of a beautiful daughter and strangely addicted to Civilization 3. I enjoy keeping in shape whether walking/hiking, lifting weights, or biking; music, U.S. politics (well, who isn't these days?) and coffee.
